Removals from office of president.

MAPPILAIYARPALEM PANCHAYAT BOARD.

Whereas in the opinion of the Inspector of Municipal Councils and Local Boards, Sri Matthews Krishnamurthi, President, Panchayat Board, Mantlaiyarpalem, Bapatla taluk, Guntur district, has wilfully omitted to carry out the provisions of the Madras Local Boards Act and abused the powers vested in him by his following omissions and irregularities:—

(1) The right to cut grass on Public Works Department channel banks in the panchayat area was obtained for Rs. 2 for 1939-40 and it was not resold in public auction. The panchayat board consequently sustained a loss of about Rs. 10 in Rs. 60 as per the calculations based on the previous year 1938-39. During 1940-41 the president has at once a profit of only Re. 1 and the sale conducted during this year does not appear to be a bona fide one as no sale list was made available for scrutiny by the Assistant Panchayat Officer.

(2) During 1940-41 the president executed six road works at a cost of Rs. 878. The vouchers for the expenditure show that payments were made on 8th May 1940 to three individuals but according to the day book the amount is shown to have been paid to G. Rammurthi Rao, the contractor. No report was sent to the Divisional Panchayat Officer in regard to the execution of the works.

(3) During 1940-41 the president executed two road works at a cost of Rs. 88 and Rs. 84 without obtaining the previous sanction of the Divisional Panchayat Officer. The works were not also got check-measured.

(4) The president retained heavy cash balances in his custody without remitting them promptly in the savings bank. As many instances were made in the savings bank subsequent to 10th November 1939.

(5) The president failed to prepare the budget estimates of the panchayat board for 1939-40, 1940-41 and 1941-42.

(6) The president advanced Rs. 115 during 1939-40 towards the cost of pipes which were still under preparation during September 1941. The loss of interest on the said amount of Rs. 115, viz., about Rs. 6 is an avoidable loss to the panchayat board. The procedure adopted by the president in having advanced the amount prior to the execution of the work was irregular.

Now, therefore, in exercise of the powers delegated to him by Government under section 233 of the Madras Local Boards Act, the Inspector hereby directs that under section 43 (1) of the Madras Local Boards Act, Sri Matthews Krishnamurthi be removed from the office of the President of the said Mantlaiyarpalem Panchayat Board.

Tanjore, 9th July 1942.

MUKKILLAPADU PANCHAYAT BOARD.

Whereas in the opinion of the Inspector of Municipal Councils and Local Boards Sri Pilli Venkatasawami, President, Panchayat Board, Mukkillapadu, Vinukonda taluk, Guntur district, has wilfully omitted to carry out the provisions of the Madras Local Boards Act and the powers vested in him by his failure to produce the cash balance of Rs. 342-10-3 before the Assistant Panchayat Officer, Vinukonda, on 12th December 1941 and by misappropriating the amount for his own use.

Now, therefore in exercise of the powers delegated to him by Government under section 233 of the Madras Local Boards Act, the Inspector hereby directs that under section 43 (1) of the Madras Local Boards Act Sri Pilli Venkatasawami be removed from the office of the President of the said Mukkillapadu Panchayat Board.

Tanjore, 10th July 1942.

PERUMAGAM PANCHAYAT BOARD.

Whereas in the opinion of the Inspector of Municipal Councils and Local Boards, Sri S. Ramaswami Gounder, President, Panchayat Board, Perumagam, Omalur taluk, Salem district has wilfully omitted to carry out the provisions of the Madras Local Boards Act and abused the powers vested in him by the following omissions and irregularities:—

(1) In spite of the warning issued in the Inspector's proceedings I, Dis. No. 17-03-41, dated 23rd September 1941, he continued to keep in his private cash balances in excess of Rs. 10 without remitting them in the savings bank.

(2) He failed to bring in account promptly the landcess amount of Rs. 70 received on 30th July 1941.

(3) He has been withdrawing amounts from the savings bank for no purpose of the panchayat board.

(4) The panchayat board resolved to execute the work regarding the metalling of the four-furlong road at a cost of Rs. 120. Metal and gravel were collected as early as August 1940 but were found defective by the Engineering department and on receipt of their instructions, the president has failed to rectify the defects.

(5) He failed to convene the monthly meetings of the board regularly. He has allowed subjects not included in the agenda to be discussed at the meetings of the board.

Now, therefore, in exercise of the powers delegated to him by Government under section 233 of the Madras Local Boards Act, the Inspector hereby directs that under section 43 (1) of the Madras Local Boards Act, Sri S. Ramaswami Gounder be removed from the office of the President of the said Perumagam Panchayat Board.

7 Candidates whose Examinations, either Written or Oral and Practical, cannot be arranged for at any place must, at their own expense, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear. The Oral and Practical Examinations in such subjects as require them will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

N.B.—The rules against disenrolment in the case of final of the Civil and Provincial Subordinate Services as may be held either before or after the Written Examinations, candidates are recommended to refer to Part I-B of the *Fort St. George Gazette* 1938 Page 58 (Vol. II of 8th January 1938) where full information will be seen in them.

SCALE OF FEES, WHEN AND WHERE TO BE REMITTED BY CANDIDATES.

9. Candidates who have passed in the Second class in any subject and grade may come up to qualify for the First class in that subject and grade on paying the full examination fee prescribed therefor.

NOTE.—Candidates coming under this category must specify accordingly in their applications.

10. (a) Candidates who are employees of the Government of Madras and who desire to be exempted from payment of the prescribed fees should send in the fee as to much this office on or before the date specified under paragraphs 13 and 20(i) their applications through the Head of the office, in which they are employed, together with a certificate from the appointing authority to the effect—

(i) that the candidate is at the time of the application undergoing probation and training and that a pass in the Government Technical Examinations (subjects with grade to be specified) is prescribed as part of his probation and training whether recruited direct or by transfer,

or

(ii) that it is prescribed as qualification necessary for the candidate to continue in his post without penalty,

or

(iii) that it has been lately imposed on the candidate already in the service concerned.

(b) The applicants should furnish the following particulars also through the officer granting them the certificate for exemption from payment of fees —

(1) the specific clause (vide (i), (ii) and (iii) above) under which the applicant's case is covered,

(2) if the applicant's case is covered by clause (ii) or (iii), the subject with grade for which, the year, the session (i.e., the month) of examination when, the centre where and the number of times he appeared for the examination obtaining himself of the concession of exemption from payment of fees prescribed for the applying now, or if the fee paid, has been or may be refunded to him, the year and the session of examination to which such refund related as also the amount of refund made in respect thereof.

13 *On no account will the fees be received in the Commissioner's office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is therefore incumbent upon the candidate to obtain a receipt from the Treasury Officer to whom the amount was sent and forward the receipt as claimed to the office at once, care being taken to see that this receipt also bears the office by the date prescribed for the submission of applications. No applications will be registered unless it reaches the Commissioner's Office by the date prescribed.*

14. *The fee paid, will not ordinarily be refunded nor will it be reserved for a subsequent examination. Neither will any excess fee that may have been inadvertently paid be returned. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each answer book. Failure to write their register numbers may involve the rejection of answer papers. They should also fill in the subject and the year on the outer cover of the answer book.

4. Candidates are not allowed to extend the time assigned to a paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out, and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. *Candidates are forbidden* to ask *questions of any kind during the examination. They are further forbidden to communicate with the examiners ; should they do so their answers will not be valued and their conduct will be reported to the Syndicate for disciplinary action.*

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, blotting pad, cardboard, manuscript, or paper of any description and from making use of any of these whether introduced into the room by themselves or by anyone else, from communicating with or copying from each other ; and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be summarily sent out of the room forthwith, and his conduct will be reported to the Registrar. Such a candidate stands the risk of having all his answer papers for the examination for which he has appeared rejected by the Syndicate and of being debarred from sitting for the University examinations for such period as the Syndicate may decide.

The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments will be allowed to students answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

Particular attention is requested to the instructions regarding rough working and loose sheets of paper printed on the answer books. *Answer should be written on both sides of the pages of the answer books.* All rough work must be done on the right hand side of the problem itself leaving a margin for that purpose with the heading 'Rough Work' underlined. *The number of each question as given in the question paper should be noted both in the margin and in the centre of the page of the answer book just above the respective answer.* No separate books for rough working will be supplied to candidates. Papers must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

12. When candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, they should stand up in his place and remain standing until one of the superintendents has gone up to him and has received his answer book from him.

13. If the certificates show that the consignment has been exported in full and also if no amount is reported to be due by the officer-in-charge, the Collector shall inform the exporter that the bond in respect of the consignment has been cancelled. In the case of any deficiency, unless it is satisfactorily explained, the Collector shall verify the calculations of the officer-in-charge and recover the amount due from the exporter and on recovery of the amount inform the exporter that the bond has been cancelled.
